

BLUES ARE AIMING TO SHOCK STOCK

ALEC Stock, that man of many clubs, brings his Fourth Division Bournemouth side to Wycombe tomorrow for the opening round proper of the FA Cup.

And Wycombe Wanderers, with a full-strength squad to choose from, are ready to give them a hot reception.

Wanderers manager Mike Keen says: "I think we've got a fair chance.

"All the players are looking forward to it, and we've just got to play as well as we can.

"It's a one-off and on our day we are capable of beating anybody.

"I've been to see Bournemouth a couple

of times, and they're a young side, very fit, who don't give anything away."

Mike feels he has the correct blend in his team for a testing game such as this.

"We've got a few young lads, and this will be their first game at this sort of level," he said. "But we've also got some older, more

experienced players and I think the mixture is about right."

He is pleased that Wycombe were drawn at home, as he feels his side's away form has not been particularly good this season.

"We've done quite well at Wycombe but we've not played nearly as good as we can away," he said.

This sort of form has taken Wycombe to sixth place in the Berger Isthmian League Premier Division.

Bournemouth, meanwhile, are having an indifferent season. They are eighth from bottom of the Fourth Division with an average of just under a point per game.

The Wycombe supporters may be looking for something special from Wanderers forward Terry Glynn.

Wycombe put the bite on Barking

Wycombe Wanderers 2 — Barking 0
TWO second half penalties by George Borg gave Wycombe a victory that might have been more emphatic had it not been for the driving rain and muddy pitch.

Midway through the first half Wycombe asserted a grip on the match that they never lost.

Late in the game Tony Price missed what was perhaps the best chance of all when, having rounded the goalkeeper, he shot into the side netting.

during the summer and after a quiet start has become, in Mike's words, Wycombe's "most consistent scorer".

■ Live commentary of the match will be presented by Wycombe Hospital Radio.
